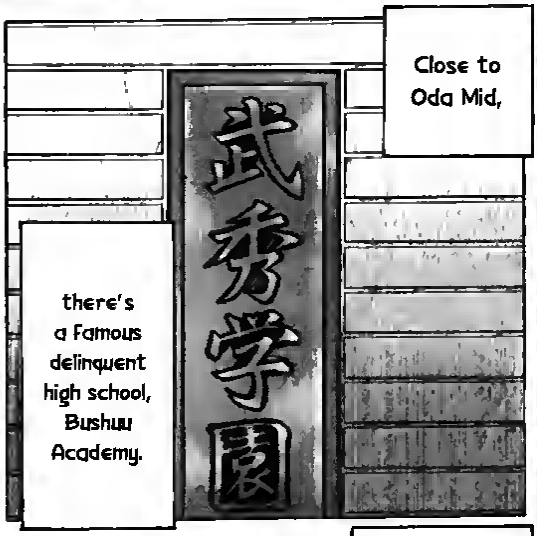
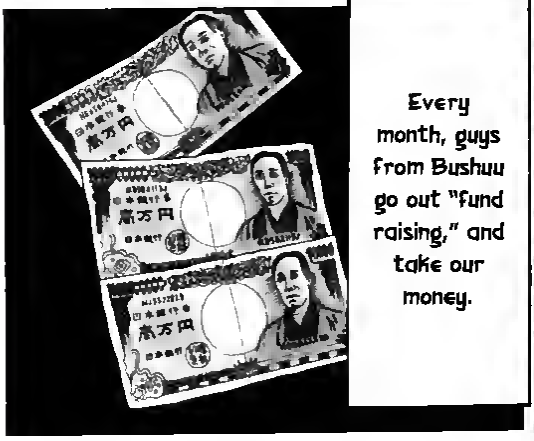
THERE'S A GYMNASIUM BEHIND THE SCHOOL BUILDING,
THE CLUBROOMS ARE NEXT TO IT. TRY THE ONE WAY IN THE BACK.
YESSIR! THANK YOU VERY MUCH!
The door?

Akafuji Kousuke... I wonder what kind of man he is...



武秀学園
Close to Oda Mid,
there's a famous delinquent high school, Bushuu Academy.

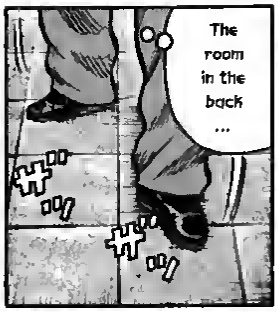
Well, regardless, he's our last hope...



Every month, guys from Bushuu go out "fund raising," and take our money.

We've had enough! We're *through* following their orders!
Last month it was 30.000 yen... this month it's 50.000!
to let *another* high schooler deal with them!
So all the head honchos came together to discuss what to do, and what we came up with was...
But this is Bushuu we're talking about here... We don't stand a chance in hell against those guys ...
And the only man that can do that, is a sophomore here at Rindou High, Akafuji Kousuke!
A man that can stand up to that damn Bushuu and save our middle school!

The Future of Odagawa Middle School depends on it!
I can't lose my cool!



The room in the back ...

Found it!

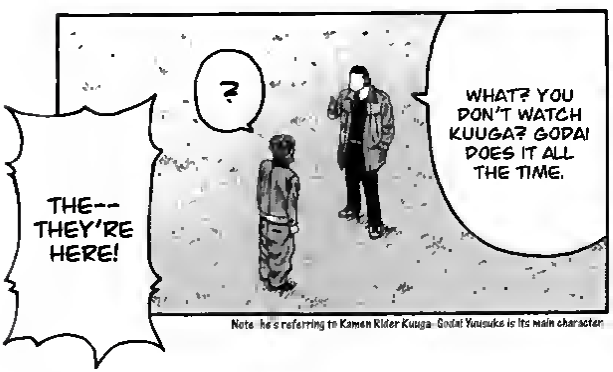
There are five people in the group from Bushuu. One of them is the senior, Yatou-san. His second in command is called Yokoyama. He's the real asshole.
He throws around Yatou-san's name, but we found out they're only really collecting pocket money for themselves.



Note: he's referring to Kamen Rider Kuuga. Godai Yuusuke is its main character.

DAMMIT, THOSE SONS OF BITCHES!
Ja-- jackass, there's 9 of them!
